COMMITTEE& COMMENTS

Inmate SOLTERO declined to appear before Salinas Valley State Prison's (SVSP's) Facility C Unit Classification Committee (UCC) today for his Program Review and therefore UCC was held in absentia. SOLTERO did receive his 72-hour notice for the purpose of this review.

Soltero was received from ASU, recommending BMU placement. Per Operational Procedure 11C states in part; #3. Organized Criminal Activity, any pattern of behavior, which indicates an individual's participation in organized criminal activity, shall be grounds for placement in the BMU program. Organized criminal activity is defined as behavior, which indicates an inmate's participation in a prison or street gang. Examples of this type of behavior include, but not limited to: Participating in gang related riots, Participating in gang related batteries or physical assaults, Distribution of property, material or items in an effort to generate revenue for the purpose of financing/furthering the prison gang or street gang's illegal activity, Evidence of attempts to recruit others to participate in prison gang or street gang's activity or Participating directly or indirectly in an misconduct that could be related to a specific type of gang behavior. Soltero received an RVR dated 5/3/02 for Participation in a Riot. According to the circumstances the Riot was between white and hispanic inmates. Per Operational Procedure 11 SHU Offense as outlined in CCR 3341.5 If an inmate has been found guilty of an offense for which a determinate term of confinement has been assessed, or is deemed to be a threat to the safety of others or the security of the institution, the inmate may be referred to a classification committee for placement in the BMU. This may be from general population (GP) or Administrative Segregation (ASU). Soltero received an RVR dated 7/5/04 for Battery on an Inmate with SBI division A1(3) offense and found guilty and received a 12 month SHU term. Soltero also received an RVR dated 5/3/02 for Active participation in a White/Hispanic Riot, a division d offense, found guilty and received a 4 month SHU term. Soltero was originally place in the BMU program on 8/23/06, however he refused to participate. On 10/16/06, Soltero was placed in ASU pending an investigation that you may of received threats to your life. The investigation was completed and you were released from ASU by ICC on 12/7/06 the BMU Program.

Based on this information inmate meets the criteria for BMU placement. Soltero has been informed of the steps for completion of the BMU program as well as being informed he will need to complete an available anger management program such as, Breaking Barriers, Cage your Rage or Framework for Recovery. Soltero was advised of the process for the reimplementation of his privileged-placement, which may be restored. Soltero's manner and verbal interaction with UCC on the issues of his case convinced this committee he fully understood without staff assistant's input. Soltero was advised of the process for the reimplementation of his privileged-placement, which may be restored. UCC informed Soltero he must remain disciplinary free during the entire program and complete the Individual Treatment Plan (ITP) as directed before being released from BMU. As part of Soltero's ITP, he was placed in Cage your Rage and Narcotics Anonymous (NA) for Step 1 of his treatment plan. Soltero refused to attend today's UCC refused to sign the 128B 'Behavioral Modification Unit (BMU) Step Process, Privileges and Expectations' chrono. Soltero did not agree with committee and was advised of his right to appeal this or any decision/action, which might have an adverse effect on him by filing a CDC 602. There are no further classification concerns at this time and his next scheduled classification will be 30 day's from today's UCC action for program review.

Soltero was originally placed into the BMU program on 8/23/06. Soltero was provided the opportunity on numerous occasions to sign the Behavioral Modification Unit Step Process, Privileges and Expectations 128B, however he refused and as a result was placed in Ad-Seg pending an investigation.

The Investigation into threats the subject may have received on his life, which could endanger the safety and security of the institution, and possible enemy concerns, was completed by Captain G. Ponder, see confidential memo dated 11-27-2006. Officer Salopek completed a 128B (dated 12/5/06) stating SOLTERO has no safety concerns and is cleared to return to Facility C BMU program. Facility Captain (A) J. Celaya was contacted and stated SOLTERO was cleared to return to Facility C BMU. His Central file does not reflect a pervasive pattern of violence or predatory behavior toward cellmates, and the confidential memo dated 11-27-2006 states that there is no known enemies and he can be housed with "inmates in similar situations and the normal Ad-Seg process for double celling". Therefore, he is cleared for double cell occupancy. He is not a participant in the MHSDS and has a GPL 12 ®. The CDC 812, 812C, 127, 840 and MCSF have been reviewed and updated. CSR 128G dated 9/21/04 issues have been addressed. The RVR from Calipatria State Prison (05-04-C-024) was dismissed and a 128B noting this has been placed in the file.

Based upon a review of SOLTERO'S Central File and case factors committee elects to: Retain SVSP IV 180. Place in BMU Program. Place in Step 1. Continue CLO B Custody, Continue WG PG C/C Effective 12/7/06, Remove from All WL, Double Cell Approved, Psych is Clear. TABE 12.0. Annual 2/28/07. Refused to Sign Expectations 128B.

At the conclusion of this review, SOLTERO will be informed of his Appeal Rights with regards to this committee's actions.

CIRCUMSTANCES On March 23, 2007, Inmate SOLTERO, (K-36340, C8-225), was "inciting", SOLTERO challenged the legality to the Behavior Modification Unit (BMU) program. During my initial meeting with Inmate HART, seated in the dayroom, SOLTERO began shouting through his cell door to Inmate SNEEDE about how the BMU program and curriculum were unlawful. SOLTERO adamantly went on to say that the book, "The Epictetus Club" was "Full of shit". Afterwards, he loudly shouted, "Fuck Epictetus!" SOLTERO is currently housed in the Behavior Modification Unit (BMU) for Organized Criminal Gang activity. Per the California Code Regulations, Title 15, SOLTERO is in violation of Section 3005(c) for willfully attempting to incite SNEEDE and other inmates to challenge the legality of the BMU program. con't..and (b) for disobeying verbal instructions from the BMU Facilitator. R. Mott, to program in "Cage Your Rage": An inmates Guide to Anger Control, as outlined in his ITP. Recently, on March 21, 2007, SOLTERO refused to program when instructed. He cited that he would not program as long as he had to sign the Behavior Modification Unit (BMU) Step Process, Privilege and Expectation chrono. Likewise, SOLTERO was issued a CDC-115 for, "Recurring Failure to Meet Program Expectations". on January 11, 2007, SOLTERO refused to attend several UCC hearings on March 07, 2007 and February 06, 2007, as scheduled. SOLTERO'S incitefulness is detrimental to the success of the BMU program and to the BMU inmates that choose to program in an effort to modify their thinking and behavior. SOLTERO'S presence in the BMU program and primarily in C8 "C" Pod, remains dysfunctional and presents a clear and present danger to the BMU staff and correctional officer charged with conducting an orderly and functional learning environment.

SUPPLEMENTAL CONTINUATION OF: CDC 115 CIRCUMSTANCES HEARING I.E. REPORT OTHER

Findings: Inmate Soltero is found guilty of the charged offense of violating CCR§ 3005(b); for the specific act of, "Recurring Failure to Meet Program Expectations," a Division 'F' offense (CCR§ 3323(h)(3)). The evidence used to render this finding included:

- 1.) Rules Violation Report authored by Correctional Officer V. Solis, which states in part, "On August 23, 2006, you were seen by the Unit Classification Committee (UCC) and placed in the Behavior Modification Unit (BMU). You were advised of the program's expectations. Soltero refused to participate by refusing to sign the CDC 128-B privileges and expectations form. Based on this, you received a CDC 128-A Custodial Counseling Chrono. On October 2, 2006, you were seen by U.C.C. regarding the BMU treatment program and your willingness to participate. However, you refused to participate in the Behavioral Modification Unit program again. Based on this, you are clearly deemed a failure of the BMU program..."
- 2.) Soltero argues that he should not be punished for refusing to sign the BMU Program documentation based on previous appeals which have been granted which basically state that inmates can't be punished for refusing to sign document. The RVR states that Soltero refused to sign a BMU Program CDC 128-B but the actual violation in the RVR is "Recurring Failure to Meet Program Expectations" noted as the specific act. On 9/23/06, Soltero was placed in the BMU Program, based on specific case factors, by a Unit Classification Committee (UCC). On 9/23/06, Soltero refused to participate in the BMU Program. On 10/2/06, Soltero was brought back before UCC and again refused to participate in the BMU Program. UCC placed Soltero in the BMU Program and has clearly set forth the program expectations. Soltero has repeatedly refused to participate in the BMU Program, to include Soltero's refusal during this hearing, as expected.
- 3.) Partial admission in Soltero's testimony during the hearing in which Inmate Soltero stated, "I refuse to participate in any program or sign any documentation that attaches my name to Organized Criminal/Gang Activity."

Base on the aforementioned facts, this SHO finds the preponderance of the evidence has been met to render and sustain a finding of guilt on the charged offense of violating CCR§ 3005(b); specifically, "Recurring Failure to Meet Program Expectations," a Division 'F' offense (CCR§ 3323(h)(3)).

Additional Disposition: None.

Enemy Concerns: There are no enemy concerns related to this disciplinary hearing.

Appeal Rights: Inmate Soltero was advised that the disposition of this Rules Violation Report would not become final until approved by the Chief Disciplinary Officer at which time he will receive a final copy of the completed CDC-115. He was also advised of his rights to appeal the findings of this hearing, the methods of appealing, and credit restoration rights pursuant to CCR§ 3327 & 3328, governing the restoration of forfeited credits.
